Range Ammo Injures Boy

A 13-year-old Gardena youth received a painful chest wound Saturday when a round of re-loaded ammunition exploded at the Torrance Pistol Range. Taken to Harbor General Hospital with a chest wound described as minor was Dale Quintrell, 13, of 14507 Daphne Ave. The ammunition was not issued by the range.

Warrior Singers To Visit THS on Annual Show Tour

They shall have music wherever they go in the theme of almost 60 students representing El Camino College who are presenting the school's annual musical show to high schools within the college district, and who will hit Torrance High this week.

Coordinator of the traveling musicians is Hamilton Maddaford, music instructor and assistant director of student personnel at El Camino. Students participating in the vocal ensemble and choir are members of classes instructed by R. Neil Hill, band and instrumental students are enrolled in classes of Donald Binning, while vocalists are members of voice classes of Dr. Gordon Orme.

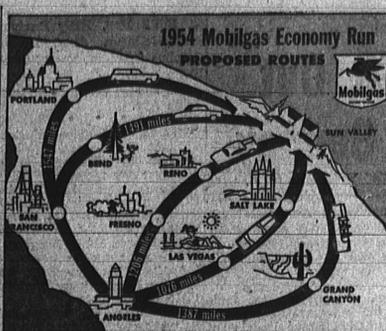

The group has already filled engagements at Hawthorne, Redondo, and Morningside High Schools. Appearances are being made this week at Torrance, Mira Costa, Inglewood, and El Segundo, while the final program will be presented on March 25 at Leuzinger High.

In addition to the 40-voice choir, an ensemble of 25 student voices appears on the assembly program.

Appearing with the college swing band are Al Apodaca, Ray Beatty, Joseph Bruno, Paul Coni, Bob Henderson, Clarke Hodgson, Wayne Johnson, Allan Larson James Olmsted, Phil Nicholson, Dave Robertson, and Ronald Schmidt.

Jean Perdue of Gardena presents a dance number, and Joan Schultz of Inglewood is vocalist on the program. A dramatic sketch is presented by Coni of Manhattan Beach and Jerry Beck of Los Angeles.

Master of ceremonies for the program is Don Watkins of Hawthorne, who also holds the office of Associated Student Body president on the El Camino College campus.

WHICH ROUTE? ... Which of several routes the 1954 Economy Run will take to Sun Valley, Idaho is the big question this week in the motoring world. The exact route is kept secret until shortly before the even begins on April 5, to prevent practice runs by contestants. The run will be from Los Angeles to Sun Valley over one of many possible routes—all over 1,000 miles long. The exact course will be selected by the Automobile Club of Southern California, affiliate of the American Automobile Association.

County Assessor Branch in City Hall For Taxes

Taxpayers who were not home when the deputy assessor called may file their property statements at any one of 71 branch offices throughout the county, including the Torrance City Hall, 1511 Cravens.

The branch of the assessor's office located in the local city hall will be open from 9 a.m. to 4:30 p.m. Monday through Friday until May 7, according to County Assessor John R. Quinn.

The county official stated a door knob card is left by the deputy assessor at each home when the resident is not in.

"This card lists all 71 temporary offices," Quinn added, "and at this time property statements may be filed at any of these." Veteran and church exemptions may also be claimed at these branches.

Property statements and claims for the veteran or church exemption must be filed before the last Monday in May of each year, Quinn cautioned.
